

**IGC and CTSA Direction under Article 27.5 of
the Channel Tunnel Concession Agreement, 1986**

This is a Direction under Article 27.5 of the Channel Tunnel Concession Agreement, 1986 (**Concession Agreement**) relating to the performance of the functions of the IGC and CTSA under Articles 27.1 and 27.2 of the Concession Agreement and Articles 10 and 11 of the Treaty of Canterbury, 1986.

The IGC and CTSA hereby direct Eurotunnel and ElecLink not to commence installation of the interconnector cable as described in the in the ElecLink Project Timelines Document and due to begin on 9 September 2018 until consent, suspended by the IGC on 12 October 2017 for the ElecLink Project has been reinstated.

Under Article 26, if Eurotunnel fails to comply with this Direction, the IGC has the right to find it in breach of its obligations under the Concession Agreement and to levy penalties.
